VALENTINE PARTY

Mrs. Chas. A. Scheurich was charming hostess at a Valentine Party Friday afternoon of last week. The darkened rooms were made beautiful with shaded red lights. In the game of hearts which furnished much pleasure for the occasion, Mrs. F. B. Herod held high score and was awarded a beautiful Sterling heart shape vanity case. Mrs. F. E. Dennis, Mrs. H. A. Miller and Mrs. Chas. Melton were contestants for the consolation, a Sterling salt and pepper set in a heart shaped box. Mrs. Melton drew the lucky number. Satin heart shaped boxes containing a valentine were favors. The dainty two course luncheon carried out the Valentine spirit of hearts. The following were recipients of Mrs. Scheurich's hospitality: Mrs. Jno. O. Pritchard, Mrs. R. F. Pixley, Mrs. F. E. Dennis, Mrs. F. B. Herod, Mrs. F. A. Mayhall, Mrs. E. M. Chapman, Mrs. W. H. Duckworth, Mrs.

John Barry, Mrs. H. A. Miller, Mrs. H. Jefferson, Mrs. Smyer, Mrs. Langdon Gregg, Mrs. A. L. Dillon, Mrs. S. A. Jones, Mrs. Chas. Melton, Mrs. E. R. Cassel, Mrs. Shannon, Miss Grace Curtin and Mrs. Wilcox of Portales.

OIL NEWS

The big rotary and drop tool rig purchased by the Clovis Oil Company passed thru here the first of the week enroute to Talbain where it is to be located somewhere north of that city. The company officials announce that drilling operations will begin within the next sixty days and that work will be prosecuted with diligence. If oil is discovered in the Talbain fields, it will mean much to Clovis.

Luther Linn who is said to have made a fortune in land holdings in the Eastland-Ranger field has purchased five thousand dollars worth of stock in the Clovis Oil company and will be associated with that company

hereafter. Mr. Linn recently sold all his stock which he had for sale in a new Texas company. Encouragement was given him by the Magnolia company to invest in the Talbain field because of the favorable report of their chief geologist who followed the structure there from the Tampico field.

All of Texas is said to be oil crazy and the epidemic is spreading westward. In Amarillo leases are said to be selling at \$500.00 per acre and stock has advanced from \$10.00 per share. The excitement at Amarillo is caused by the discovery of a strong gas well located across the river about 27 miles north of that city.

BAPTIST CHURCH SUNDAY

We had a great day at the Baptist Church last Sunday. We are expecting a greater one next Sunday. Our congregations were large both morning and evening. We dedicated our new gallery Sunday morning. We missed every one of you who were absent. We want you next Sunday morning for Sunday School. Come help us swell our attendance to the 400 work.

Sunday School, 9:45 a. m. Be there for the opening service.

Preaching, 11 a. m., subject: "An Old Fashioned Home."

Sunbeams, 2:30 p. m. Let your children attend this meeting.

B. Y. P. U., 5:30 p. m. We need all the young people as regular attendants.

Evening worship 7:15. This we hope to make a great hour. The pastor will talk about some local matters and happenings, you will be interested to hear about some of the doings. Our music will be extra and varied.

We hope to have the orchestra at both hours. The pastor will preach on "The Last Judgment." Come to the Welcome spot in Clovis.

S. B. CULPEPPER, Pastor.

FIRST PRESBYTERIAN CHURCH

Upon next Sunday morning at 11 o'clock there will be a service at this church that you will like. The good, old-time home spirit that is in evidence, the hearty welcome that is extended to all, and the excellent music that we are having will make you glad that you came. For a special number the choir will sing an anthem, "Go Forward, Christian Soldier." The sermon subject for this hour is: "The Gospel Picture of a True Christian."

In the evening at 7:30 we shall have the last of our special services for February. The subject for this service is: "The Lure of the Unseen." There will be special music at this service also. These evening hours of worship have all been marked with unusual interest upon the part of all who have attended. We hope to have the pleasure of welcoming you next Sunday night.

If you are a Presbyterian who has lately come to Clovis the pastor and the Church will consider it a favor if you will let us know of your coming. We want you to feel that this Presbyterian Church has as great a welcome for you as any other Presbyterian Church in our land.

TED P. HOLIFIELD, Minister.

SUNDAY SCHOOL SOCIAL

Mrs. C. W. Harrison gave a valentine party Friday evening of last week complimenting her Sunday School class composed of young girls and the corresponding class composed of the young boys. Many games and contests were entered with enthusiasm and furnished much pleasure for the young folks. Dainty refreshments were served.

FIRST CHRISTIAN CHURCH

(Peoples' Church)

We had good audiences last Sunday morning and evening. The newly elected board of elders and deacons met following the evening service and organized by electing C. W. Harrison chairman for the ensuing year. Preliminary steps are being taken for the Every member Canvass. The Every Member Canvass, as is well understood, gives Every Member the opportunity of having fellowship in the work of the church. Instead of confining it to a few, or the heads of families. It emphasizes both the privilege and the obligation of supporting the Lord's work.

The officers of the Teaching Service of the church met in executive session at the home of Mrs. Cassel and decided to change the opening hour of the morning service from 10:00 to 9:45. It is aimed to dismiss the morning service at 11:55.

The Young People desire your presence at their meeting at 6:30 each Sunday evening, both for the good you do them and the good they may do you. They are entering a friendly contest with the S. E. at Farwell, and incidentally your presence will help in this. Come on.

The hour of evening worship and preaching is 7:30 each Lord's Day. Come and see—and hear.

I. N. JETT, Minister.
